

HAIKU A DAY

With doors open wide

I enjoy some good coffee

Watching the world pass

Thomas L. Kula

Issue 57: March 2010

ST. JOSHUA NORTON PRESS

Mathom House in Midtown | The People's Republic of Ames

The only thing that could make a pleasant day at the coffee shop better is hearing the Flaming Lips album *The Soft Bulletin*. Today is a good day.

— Thomas

Download this and previous HADs at the website, so you can print out your own (DIY, yeah!) or if you want me to send you one, send me your address, and maybe a stamp if you are feeling nice. Or send me something you've made — trades always appreciated, postcards are nice too.

1 March 2010

Oh soup, I sing out
The joy you bring, exquisite
Fills my heart with glee

2 March 2010

Brain a whirlwind
Bringing order from chaos
Wind stops, brain cools down

3 March 2010

Stare into the night
Behold the stars high above
Feel small where you are

25 March 2010

Invading my head
Some sort of rude snot monster
Here without asking

26 March 2010

A vain search reveals
Nothing at the pharmacy
To erase this snot

27 March 2010

The KDC fails
With abandon, ruthless dies
Restoration weird

28 March 2010

Ruthless is happy
Albeit hacked together
Next weekend will fix

29 March 2010

Dazed and confused I
Awake for another day
Will today make sense?

30 March 2010

A ladder reaching
Edging high into the sky
Stands grounded in Earth

31 March 2010

The sun, glorious
Reigning over the noon sky
Lighting all the world

4 March 2010

Beware peer pressure
That lunch you brought in to work
Pales at their onslaught

5 March 2010

The old Friday role
Having caffeine and coding
Meeting up with friends

6 March 2010

Pleasantly full day
Going all over the place
Doing many things

7 March 2010

The winter basement
Pales against the spring outdoors
Polo moves outside

8 March 2010

Glorious day erupts
An early spring issues forth
Is winter now dead?

9 March 2010

Infinitely small
A point strung infinitely
A line, length from void

10 March 2010

These forms make no sense
Sitting in the waiting room
Health care confuses

11 March 2010

Go away snow, flee
Your cover is not wanted
Let the green return

12 March 2010

Bowling computer
You record our score, poorly
Have we confused you?

13 March 2010

Mailing us to say
You will soon be mailing us
Census makes no sense

14 March 2010

Total exhaustion
All I can do is sit there
Finally I move

15 March 2010

With a renewed shine
The sun illuminates us
Dark at lunch, light now

16 March 2010

I hear the city
Wafting through open windows
Moving the curtains

17 March 2010

Going for a walk
As the sun slowly sinking
Gives way to the night

18 March 2010

A drunken asshole
With a squeal and loud crash
Hits the neighbor's car

19 March 2010

The first green budding
In the hedge by a sidewalk
I walk by, smile

20 March 2010

Inside a book store
Pleasant hours can be spent
Good finds your reward

21 March 2010

Breakfast cravings rise
Leading to omlettes at night
Inverting is fun

22 March 2010

Woken up at 1
Leads to a long tired day
Going home early

23 March 2010

Drawing to a close
The evening turns to pastels
The day fades away

24 March 2010

I still want a kite
And a day spent in the park
Instead of working
