

# HAIKU A DAY

Is this the real life?

Or is it just fantasy?

Easy come and go.

Issue 58: April 2010

ST. JOSHUA NORTON PRESS

Mathom House in Midtown | The People's Republic of Ames

It's currently raining outside, and there are clouds going in completely opposite directions. I love spring weather.

Download this and previous HADs at the website, so you can print out your own (DIY, yeah!) or if you want me to send you one, send me your address, and maybe a stamp if you are feeling nice. Or send me something you've made — trades always appreciated, postcards are nice too.

1 April 2010

How I hate this day  
The world, even more stupid  
Annoying me more

2 April 2010

The world, split in two  
Below, complicated, dense  
Above, clear blue sky

24 April 2010

Cleaning the kitchen  
Before making the next mess  
Need to fix timing

25 April 2010

Sundays are sleep days  
Lounging in bed all day long  
Why would I get up?

26 April 2010

Dreary rain outside  
Yet early morning coffee  
Makes it all better

27 April 2010

A faint smell returns  
My mind to earlier times  
Time travel by nose

28 April 2010

Something I do but  
A few times a year, falling  
Missing from my head

29 April 2010

How exactly does  
One lose a sewing machine?  
Oh where did it go?

30 April 2010

I am reminded  
Of things I have to get done  
Copious time gone

3 April 2010

In the stars, pictures  
Mundane minds, fantastic worlds  
Dots and lines shine through

4 April 2010

A smell embedded  
Where I keep my coffee beans  
Makes my nose happy

5 April 2010

I hail the sky, blue  
Above me on this Monday  
As I head to work

6 April 2010

Goodbye to sweaters!  
I enjoy your company,  
But we need a break

7 April 2010

Banner, flying high  
Whipping in the wind, it falls  
Pile on the ground

8 April 2010

Clear orbular parts  
Growing smudged for no reason  
Why do they do this?

9 April 2010

Pizza rolls, devine  
A packet of pure happy  
Simple and sublime

10 April 2010

Hidden space opens  
Behind the dash, voids and dust  
Debris from ago

11 April 2010

Cool, yet the Sun shines  
Forshadowing burns ahead  
When it's not so nice

12 April 2010

Staring at the Sun  
Making typing difficult  
This window needs shade

13 April 2010

Pizza rolls, devine  
A packet of pure happy  
Simple and sublime

14 April 2010

Thoughts of libraries  
Fill my head with happiness  
Books overwhelm me

15 April 2010

Somewhere, a damn bird  
Making a nest, making noise  
Driving me crazy

16 April 2010

The week, ran ragged  
Shudders to a halt, Friday  
And life is easy

17 April 2010

When old books I see  
I feel a need to help them  
Just dollars a day

18 April 2010

I see the sun shine  
And find myself drawn outside  
Basking in the light

19 April 2010

Goofy wireless  
Connections break frequently  
The network, annoyed

20 April 2010

The whisper of wind  
Through the window, lullaby  
Easing me to sleep

21 April 2010

Red fabric beckons  
To finish a costume lost  
To interruption

22 April 2010

So that's how it works  
That doesn't make any sense  
Feh, this thing is dumb

23 April 2010

A good day at work  
Followed by a fun evening  
Recipe for joy
