

HAIKU A DAY

A twitch of the eye

Snow flying, but not for long

Winter's hand fading

I like winter, I like cold weather. But I've had my blizzard. It's time for Spring.

1 January 2013

By the East River
The city reminds me just
How lucky I am

2 January 2013

What's that sensation?
Upcoming feeling of doom —
Just my alarm clock

3 January 2013

Similarity
Two containers look the same
The one I grab wrong

25 January 2013

The plane lands, a bump:
Iowa! Pigs and corn reign!
All sits before me

26 January 2013

Pardon me today
I have a niece to spoil
No one else matters

27 January 2013

A sink of dishes
An hour of happy swish
House meditation

28 January 2013

Knives flashing, food flies
A hot griddle a palate
An artist cooking

29 January 2013

The wind swiftly moves
Scouring the ground, freshly
Now covered in snow

30 January 2013

Leaving the bubble
Going out for some shopping
Good to be back home

31 January 2013

The closet, my coat
The handle broken, I'm stuck
Not going outside

4 January 2013

Sometimes things don't work
Key is to take the pieces
And make something else

5 January 2013

Time for a movie.
Which one do I want to see?
Then hours pass by.

6 January 2013

Don't know direction
Know the feel of the city
My feet get me there

7 January 2013

In my conviction
This thing works a certain way
In reality...

8 January 2013

The must on the grapes
A must when you're making wine?
Or must you remove?

9 January 2013

A simple mixture
Each brings a contribution
Yummy food forthwith

10 January 2013

First night Trevoring
Answering Trevor letters
After, there are chips

11 January 2013

Beacons around me
Where there is pizza, there's hope
I buy some slices

12 January 2013

What is this acid
Never heard of it before
Sitting in my food

13 January 2013

Hanging from the wall
A lone spider thread — not web
Dusting takes care of

14 January 2013

Too much junk in here
Some things are destined for scrap
Or a flamethrower

15 January 2013

Evening of Awesome
People who are amazing
Fill Carnegie Hall

16 January 2013

An alternate dish
When the main ingredient
Isn't at the store

17 January 2013

Nerding out over
Marshall Kirk McKusick's talk
BSD book signed

18 January 2013

An act in three parts
Concerto for bubbling pipes
Bubble, squeak and hiss

19 January 2013

Read about the brain
Making my brain think of brains
A headache ensues

20 January 2013

We start with a plan
And minutes in that goes out
Winging it from here

21 January 2013

Tamale making
Is a very refined craft
I need more practice

22 January 2013

An idea flashes
Last minute horchata made
Why'd I wait so long?

23 January 2013

Feeling off today
But a walk as always helps
It's cheap therapy

24 January 2013

Every minute last
Something always must be done
The list keeps going
