

1 July 2012
O Dear Canada
Days like today make me wish
I was in your shores

2 July 2012
How urbane I feel
After a bit of walking
Out doing errands

3 July 2012
Boxes in boxes
Like a wormhole growing, I
Take down recycling

4 July 2012
Is that Higgs' Boson?
Is there a Field that gives all
Things with mass their mass?

A bundle of joy
See my niece for the first time
Spoil her rotten

Way too much ice cream
First time tempted to go here
I blame my brother

Fake hot dog, new form
A spiral cut brings skeptics
But the results win

A tiny airplane
Hurtling at Jamaica Bay
Misses — LGA

Lazy post travel
Things to do piling up, yet
I just do not care

10 July 2012
In the afternoon
Sanity prevails, as clouds
Boil from my mind

11 July 2012
The sway of readers
Like weeds in the deep blue sea
No ocean but track

12 July 2012
The sound of morning
Syrup, going down the drain
Consciousness fades in

13 July 2012
Falafel on wheat
Lentil soup, hot tea, to stay
Falafel Friday

14 July 2012
Fortran on my mind
Mostly a sign of sickness
Little need for that

The end of the day

Not enough, at least a start
Need to get more string

There's one eyebrow hair
A mutant, growing longer
Always freaks me out

Swaying in the breeze
A forest of ropes, stretching
Reaching to the sky

No newspaper guy
There at the subway station
The day I want one

The longest minutes
Lie between starting coffee
And when it is done

Hum of a printer
Whirring and clicking as it
Spits out a new zine

Of all the paths in the park
Relaxing journeys

Italian, whiskey
A walk for some potatoes
Make a good birthday

Start with a pot of coffee
Without, all else fails

I still have a scar
From helping a friend to move
Stupid TV stand

Thinking of postage
Getting weird stamps to add up
Need to get out more

In the summertime
Is there anything better
Than a cool iced tea?

Walking through the rain
Taking photos; my mind sighs
Relaxing nature

27 July 2012
Crave peanut butter
And bananas, nutella
I need a sandwich

28 July 2012
Blankets blanketing
Holding me down in the bed
Is why I'm asleep
