22 February 2011

Itch unscratchable
An insolence maddening
Small nit magnified

23 February 2011

Now wasting my time
Learning nothing new, sleepy,
I yearn for coffee

24 February 2011

Jargon's fake patois
Rendering unreadable
Things I will ignore

25 February 2011

Rapt attention, indoor coals
Window keeps alive

Acres of clothing
Endless yards to look through
To find just one thing

27 February 2011

End-of-month pizza
The conjection of gumption
And few groceries

28 February 2011

Dominated by slush
A helpful sign, spring awakens?
Will it be here soon?

City reflecting
Sodium orange in the snow
Warm glow in cold skies

As I pass a house walking
I quicken my pace

A pathetic beach
Sand grains on the welcome mat
Grate, do not relax

Fibonacci scribes
A series ever closer
Golden ratio

Originator
The birthplace of lies hidden
Unsuspectingly

Goofy Kroger rice
Nearly all done, some still raw
How does that happen?

10 February 2011

Leftovers combine
A strange ad-hoc mixing dish
Turns out pretty good

You're ever so vain.
Probably think this haiku's
About you, don't you?

12 February 2011

Gallons of Chili
I just wanted to test it
But did it in full

13 February 2011

Chopping out the waste
One's waste, another's treasure
Makes things difficult

Early Spring preview
A strong urge to shed jackets
Looking for tree buds

15 February 2011

Visualize calm
Let your mind empty as a
Leaf floats on the wind

Repository
That's taking so long to clone
I am impatient

17 February 2011

Day after dinner
I'm still full around lunch time
Really ate too much

18 February 2011

Cold dread, panicing
A stupid mistake, coursing
Chilling all my blood

A job done early
Makes me spend Saturday night
At work, not Sunday

The campaign for spring
Sweet flowers, ideas planted
Struggling to bloom

Barnacles of snow
Crusted on automobiles
Winter's last hurrah
