

# Haiku a Day

Frost makes me happy

Promsing winter ahead

And colder weather

Issue 28: October 2007

St. Joshua Norton Press  
Mathom House at Ypsi-Edge | The People's Republic of Ames

Ontime this month, I hope — It's the 3<sup>rd</sup> and early in the morning (for a Saturday, at least) and I'm getting ready to go photocopy and go to the post office. We'll see how it goes.

Download this and previous HADs at the website, so you can print out you own (DIY, yeah!) or if you want me to send you one, send me your address, and maybe a stamp if you are feeling nice. Or send me something you've made — trades always appreciated, postcards are nice too.

1 October 2007

Wash away the lights  
Rain in streaks and in puddles  
Falling from the sky

2 October 2007

Grey people walking  
Walking, leaving no path  
I am one of them

3 October 2007

My addiction hard  
A few days without caffiene  
Hurting my poor head

25 October 2007

A thick envelope  
There's nothing better than mail  
To cheer oneself up

26 October 2007

The bearded lady  
Keeping the sound optimal  
And the bands in line

27 October 2007

Asphyxiation  
Dreaded blood in glassy eggs  
One more Ypsi night

28 October 2007

The magic of rice  
Hard kernels transformed to soft  
By heat and water

29 October 2007

I think I'll stop at  
One impossible problem  
Solved each day at work

30 October 2007

The eggstacle course  
Bike this egg around the square  
And do not break it

31 October 2007

Candy night tonight  
Apparently. I'm having  
Tea at Ugly Mug

4 October 2007

My clock glows, and in  
Glowing reminds me that I'm  
Awake at this time

5 October 2007

A night of good sleep  
I'm so glad you have returned  
And made me happy.

6 October 2007

It's morning again  
In Ypsilanti, and sane  
People make some tea

7 October 2007

It's evening again  
In Ypsilanti, and sane  
People eat popcorn

8 October 2007

Squares alternating  
Royalty safely behind  
While pawns dance out front

9 October 2007

Glistening bottle  
A syrup full of flavor  
Tasty on waffles

10 October 2007

A monolith forms  
With an evil robot mind  
And hard, grippy arms

11 October 2007

Lyrical gangster  
Ripping beats like year old sheets  
My rhymes can't compete

12 October 2007

Grey cotton blankets  
Spreading across a cool sky  
Covering the Earth

13 October 2007

Of my pocket calc  
I am the operator  
Adding, subtracting

14 October 2007

A mess of wires  
Tangled, messy, in a box  
Twisting what I need

15 October 2007

Errand forgotten  
I need a trip to the store  
To buy some stickers

16 October 2007

Mathematical  
Logarithm describes a  
Curve asymptotic

17 October 2007

Waters whisper low  
Quietly greeting small rocks  
As they pass on by

18 October 2007

Flexible tubing  
Bright orange in color, bumpy  
I trip over you

19 October 2007

A strand of fine glass  
Lit through with coherent light  
Speed of light info

20 October 2007

In the afternoon  
Barking filters through the air  
Dogs enjoy the day

21 October 2007

Outside my window  
Bushes rustle in the wind  
As trees shed their leaves

22 October 2007

Warming up some soup  
I see I'm out of crackers  
And I curse the Gods

Why am I reloading this?  
OKCupid hate.

24 October 2007

I love cold weather  
And making a warm bundle  
Strong against nature
