

HAIKU A DAY

A siren's sweet call

Bright and jangly down the street

Get your ice cream here

St. Joshua Norton Press

Issue 94: April 2013

ST. JOSHUA NORTON PRESS

Mathom House by the Cloisters | The People's Republic of Ames

There comes a time when a man's thoughts turn to grilling.
That time is now.

— Thomas

Download this and previous HADs at the website, so you can print out your own (DIY, yeah!) or if you want me to send you one, send me your address, and maybe a stamp if you are feeling nice. Or send me something you've made — trades always appreciated, postcards are nice too.

The Reverend Samuel Johnson, S.T.D.
President of King's College 1754 - 1763
(S.T.D. meaning something very different back then)
19 April 2013

1 April 2013

Stupid — stupider:
Lame April Fools jokes anguish.
Put thought into it

2 April 2013

Tour the dark side
Discover that they have cake
To hell with goodness

24 April 2013

Flywheels spinning up
A low hum becomes a whine
Ready to burst forth

25 April 2013

Ephemeral song
By an orchestra not there
Makes me march in time

26 April 2013

The day done, gladness
That all of the days are done
At least for two days

27 April 2013

First there are pickles
Biscuits and vegan gravy
Too much food to eat

28 April 2013

Clouds stretch for miles
Bursting with light, the sun sets
The clouds float away

29 April 2013

Must learn the organ
Want to play Animals songs
Intentions are good

30 April 2013

Tape not sticking well
Package keeps unraveling
Break out the good stuff

3 April 2013

Foam lapping the shore
A gurgling river flows by
Cares washing away

4 April 2013

Don't want a monkey
Unless it's a smart monkey
One that will wear pants

5 April 2013

In a man's life, there
Comes a time for seersucker
For this man, today

6 April 2013

A saucer, a cup
Hot water becoming tea
Morning in Inwood

7 April 2013

In the cracks of cheese
Tasty mold making it bleu
A dressing awaits

8 April 2013

A bird in flight turns
Into the sun, and too close
Finds infinity

9 April 2013

Filing files
F for file, R for rasp
This work grinds away

10 April 2013

AE-35

Sending a lonely signal

A whisper, a fault

11 April 2013

Constant consonant

The base of words, not flashy

Not sharp like vowels

12 April 2013

A cherry purchases

Proud like a queen on a cloud

An ice cream soda

13 April 2013

A doctrine I have:

An elephant on a crane

Is not stood under

14 April 2013

Morning energy

Quickly turns to lazyness

Do things tomorrow

15 April 2013

A roll of string falls

Grasping at it makes it worse

I grab, it races

16 April 2013

A tiny gate on

A tiny patch of front lawn

A tiny dog sits

17 April 2013

What a shame it is

To be a fire fighter

Fire trucks boring

18 April 2013

“They’re the wrong trousers,”

he said, with his hands shaking,

“And they have gone wrong!”

19 April 2013

Old British guys in

Academic dress, nerding

Out all day today

20 April 2013

A good thing better:

A cute guy riding the bus

Reading *Good Omens*

21 April 2013

Apartment contrasts:

Some things done very cheaply

Some places marble

22 April 2013

Pocket watch unwatch

The shell exists but no time

No time right or wrong

23 April 2013

Retire early

Too much Chinese food, and zines

Then I fall to sleep
