Breezes and windows

Birds chirp in the tree out front

And I think haiku

A bit late this month — The Bike Ypsi Spring Festival was the first weekend in May, so I was running around doing stuff for that. It was a fabulous day. About 150 people showed up, we lucked out again with gorgeous weather, and I had a kick as time both at it and hanging out with folks at the Corner Brewery afterparty.

And now I rush to print this off before going to see the new *Star Trek* movie.

Download this and previous HADs at the website, so you can print out your own (DIY, yeah!) or if you want me to send you one, send me your address, and maybe a stamp if you are feeling nice. Or send me something you've made — trades always appreciated, postcards are nice too.

1 April 2009

Thing built long ago  
Could have been done easier  
Now I think of it

2 April 2009

A concert tonight  
But then I grow too tired  
And I just go home

24 April 2009

I'm an idiot  
To think my apartment would  
Be cleaned Friday night

25 April 2009

Hours at the Mug  
Caffeine helps me write some code  
Now my brain is fried

26 April 2009

Epic slo-mo crash  
Seat bent, gash in my right shin.  
Hotties dig scars, right?

27 April 2009

Oh, couscous, devine  
That tiny pasta so neat  
But is it pasta?

28 April 2009

What day is today?  
Is today really Tuesday?  
I get so confused.

29 April 2009

The protector fades  
Keys cover becomes dirty  
And so do the keys

30 April 2009

Organizing stuff  
My living room starts to fill  
Piles everywhere

3 April 2009

At the laundromat  
I am used to smelling soap  
But smelling French fries?

4 April 2009

Across the landscape  
Lines of steel bend and wander  
I hurtle along

5 April 2009

April showers bring  
May flowers, but what comes from  
an April snow storm?

6 April 2009

Zines and records tempt  
Wandering through Chicago  
They jump in my arms

7 April 2009

A line, high tension  
Electrons scream, silently  
Quiet becomes light

8 April 2009

Kill time at the park  
A giant shiny orb sits  
Watching me reading

9 April 2009

When you become bored  
Sometimes you make up a game  
Count to one thousand

10 April 2009

Random inventions:  
Who first twisted some wire  
Making coat hangers?

11 April 2009

Flash on or flash off?  
Go slower or go faster?  
This sign has options.

12 April 2009

The tree out front is  
Budding, and all down the street  
Springtime is now here

13 April 2009

Grating and stirring  
Filter, pour into bottles  
A new brew is born

14 April 2009

Cap quickly opened  
Ginger beer gushes about  
Tricksy cinnamon

15 April 2009

My mind not thinking  
Gets coffee at nine pm  
My mind racing now

16 April 2009

Those tings! that I heard  
Not one but two spokes snapping;  
My tire needs work

17 April 2009

This race is not one  
But we had a nice ride and  
Hung at the Corner.

18 April 2009

Again, espresso  
Makes my brain a whirling mad  
Wonderful engine

19 April 2009

A mini tune up  
A fine way to pass the time  
I should clean my chain

20 April 2009

Just when things make sense  
A bizzare error throws me off  
I must think on it

21 April 2009

A strident whistle  
Wresting me from my slumber  
I log in, bring calm

22 April 2009

Dig through code again  
My brain hurts and wants to stop  
So I head for home

23 April 2009

Belly of ramen  
Glowing with added kimchee  
What could be better?
