

HAIKU A DAY

The power of Soup

Is not to be trifled with

Do not mock its strength

Thomas L. Kula

Ypsilanti MI 48198

Issue 62: August 2010

ST. JOSHUA NORTON PRESS

Mathom House in Midtown | The People's Republic of Ames

Iowa again, this time for my brother and (new) sister-in-law's wedding. The day went smashingly, there was good weather and excellent cake.

— Thomas

Download this and previous HADs at the website, so you can print out your own (DIY, yeah!) or if you want me to send you one, send me your address, and maybe a stamp if you are feeling nice. Or send me something you've made — trades always appreciated, postcards are nice too.

1 August 2010

A sandwich, layered
Towering tome of tasty
Laminar goodness

2 August 2010

Getting confused, stop
Simple things making no sense
Return tomorrow

3 August 2010

I will beat this thing
Oh yay, I have beat this thing!
Still have to beat this.

I don't get it either.

25 August 2010

Getting mail is fun
But it does not compare to
The fun of sending

26 August 2010

A cool breeze blowing
Causes dancing to break out
In the window shade

27 August 2010

Over and over
The same question, same answer
Stop asking me that

28 August 2010

Baking ensuing
Broadcasting a tempting smell
Through the apartment

29 August 2010

Our path meanders
All over Ypsilanti
Wanderers not lost

30 August 2010

Random road closings
A riot of orange appears
You're not getting there

31 August 2010

Procrastination
Tells me to pack tomorrow
Instead of tonight

4 August 2010

Cup, sitting lonely
Waiting for a saucer friend
Slowly growing cold

5 August 2010

This automation
Beating into submission
Things recalcitrant

6 August 2010

Like sand falling down
This hole, while getting undug
Goes but a trickle

7 August 2010

An album boring
Has the most sublime cover
The devil, hot dog

8 August 2010

There are two sevens
One in the morn, one evening
I picked the wrong one

9 August 2010

The cake, while tasty
Left over a knife to clean
A cutting mission

10 August 2010

Heat and pressure yields
Layered shiny, troubling
Too much, too little

11 August 2010

Oh sweet sweet cupcake
While your frosting is pretty
Your filling tempts me

12 August 2010

One task now finished
Reveals three more yet to go
An endless slogging

13 August 2010

There is Thai for lunch
Then it is Thai for dinner
I'm okay with that

14 August 2010

I can see the days
Growing shorter with each week
Fall glowing closer

15 August 2010

Thin clouds, riding high,
Are no respite from the Sun;
The shade, welcoming

16 August 2010

The new toy delay
Waiting for delivery
Testing your patience

17 August 2010

An idea, bursting
Explosive, a problem solved
If it just made sense

18 August 2010

Boop boop boop boop boop
Stuck in my head, the song goes
Boop boop boop boop boop

19 August 2010

Slowly the minutes
Marching forward to the past
Encircle hours

20 August 2010

Forward, back, around
Rotation becomes a line
I drive home from work

21 August 2010

A soft mist of rain
Clouding the entire day
Rare clarity shows

22 August 2010

That's where that book went
Nowhere close to a sane place
It's hiding from me

23 August 2010

Late night bike polo
Deep in the parking garage
Bright light in the dark

24 August 2010

A bowl of lentils
Whispers when my finger stirs
A sweet melody
